**KELSEYVILLE PEAR FESTIVAL GENERAL INFORMATION/  
GUIDELINES**

1) Parade entries should show some connection to pears. An award will be given to recognize the most creative use of pear-related themes.

2) All entries are asked to line up around the high school track. The ONLY exceptions to this will be the horses , tractors, and some pedestrian groups who will be assigned to other specific areas. For example, the tractors will line up in the lower parking lot of the high school, some pedestrian groups will be at the Umpqua Bank and the equestrian groups will be at the Lions Club parking lot.

3.)**Every entry must be identifiable as a parade entry.** Those entries that are walking members of a group must be lined up together and stand out as a group different from the parade on-lookers. Consider having matching outfits or other costumes different from everyday clothing.

**and/or**

Have a large sign or banner in front of your group. Remember that the judges are on the left side of the street so your sign, banner, and/or display should face left. It is important that all entries be distinguishable from the general public and that on-lookers can easily identify your group as you pass.

4) **No items may be thrown from parade entries into the crowd during the parade. This includes candy, balloons, etc. ( We do not want to tempt members of the crowd to risk their lives by retrieving items that have landed in the roadway.) Should you wish to give candy( etc.) to the crowd, have walkers along with you who can distribute items safely at the sidelines.**
