

The Kelseyville Art Club will again be holding their Art Show and Sale during the Pear Festival at the Kelseyville Senior Center. Located on Third Street beside the Park, the venue offers visitors a chance to cool off in the air conditioned space and enjoy a special art show.

Along with paintings in oil, watercolor, and acrylic, we will feature original leather crafts by award winner Curtis Westfall. Returning this year is Heidi Thomason with her beautiful custom jewelry.

Come join us, shop and cool off, we are just a block off the Main Street behind Studebackers.
