

The Konocti Art Society will be displaying and selling their fine art at the West America Bank during the Pear Festival. Along with original and prints of oil, watercolor, pastel, ink, textile art, cards and ceramics, KAS has made "faces" that were painted or sculpted and will be donated for the opportunity raffle during the month of September and drawn at the Pear Festival. Proceeds will go to the Summer Youth Art Camp sponsored by the Lake County Arts Council in Lakeport. Stop by the bank during the month of September to obtain a chance to win one of these fine pieces of art. The drawing will be at 3:00 in the bank on September 24 at the Pear Festival. Stop by, cool off and enjoy some fine local art.
