

"The Best Pear Contest"

By Ethan Gambill

Once there was a pear in a tree. There was a little boy named John. John was 9 years old. John had tried to reach a pear high in the tree for a very long time but was not tall enough. Now John is 16 years old but he was still 4 inches too short to reach the pear. That Pear was so green and yellow it was the Super Pear.

The next day John grew, so he could reach the pear. When John went outside there were THOUSANDS of pears on the tree and he didn't know which pear was the SUPER PEAR. Today was The Best Pear Contest and he could not find the Super Pear. John was really sad. A lot of the pears died and the seeds fell down in the dirt and grew new pear trees. John noticed one pear high up in the trees, it was the Super Pear.

John was so happy. He found his way to the Super Pear and grabbed it. The Best Pear Contest was at 4:00 pm, it was 3:30 pm, he had to get going! The next day John was proud to tell his Mom and Dad that he had won The Best Pear Contest.

John is now 20 years old and has his own house. The first thing he did was plant a pear tree in his backyard and BOUGHT A LADDER.

LIFE IS GOOD ...
